PURPLE STAR

The Purple Star
1965

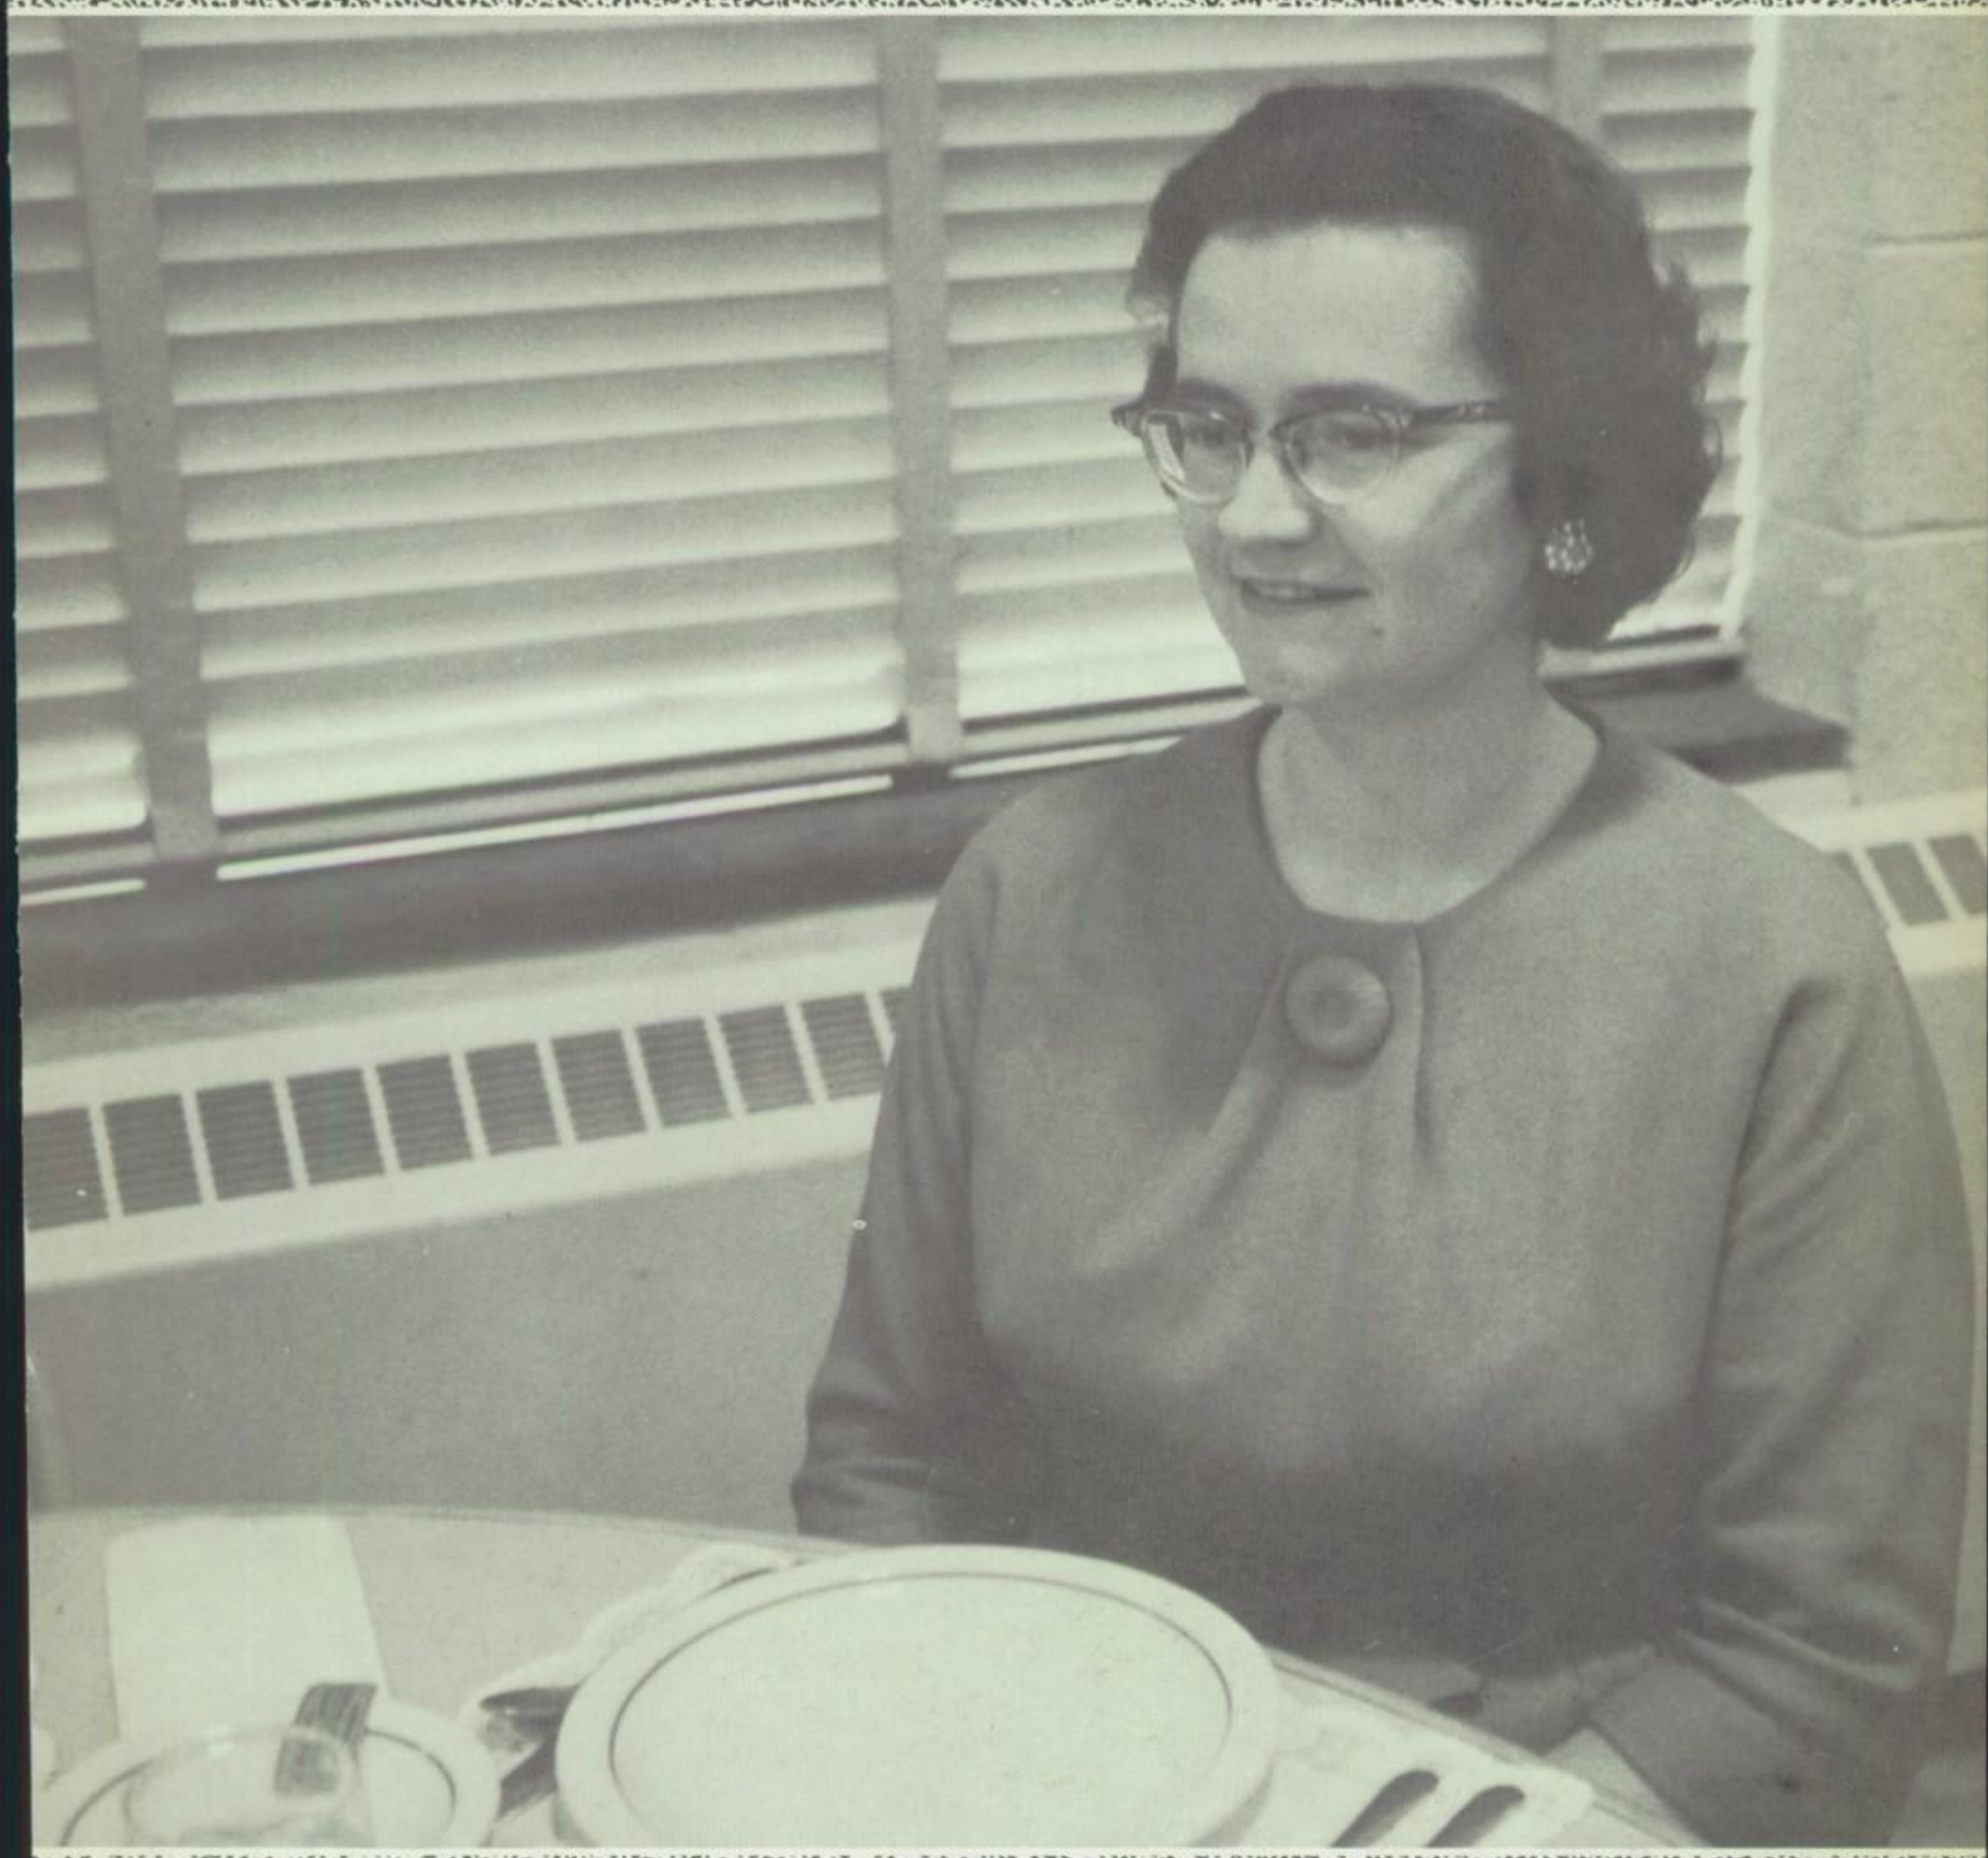
Hannibal Central School
Hannibal, New York

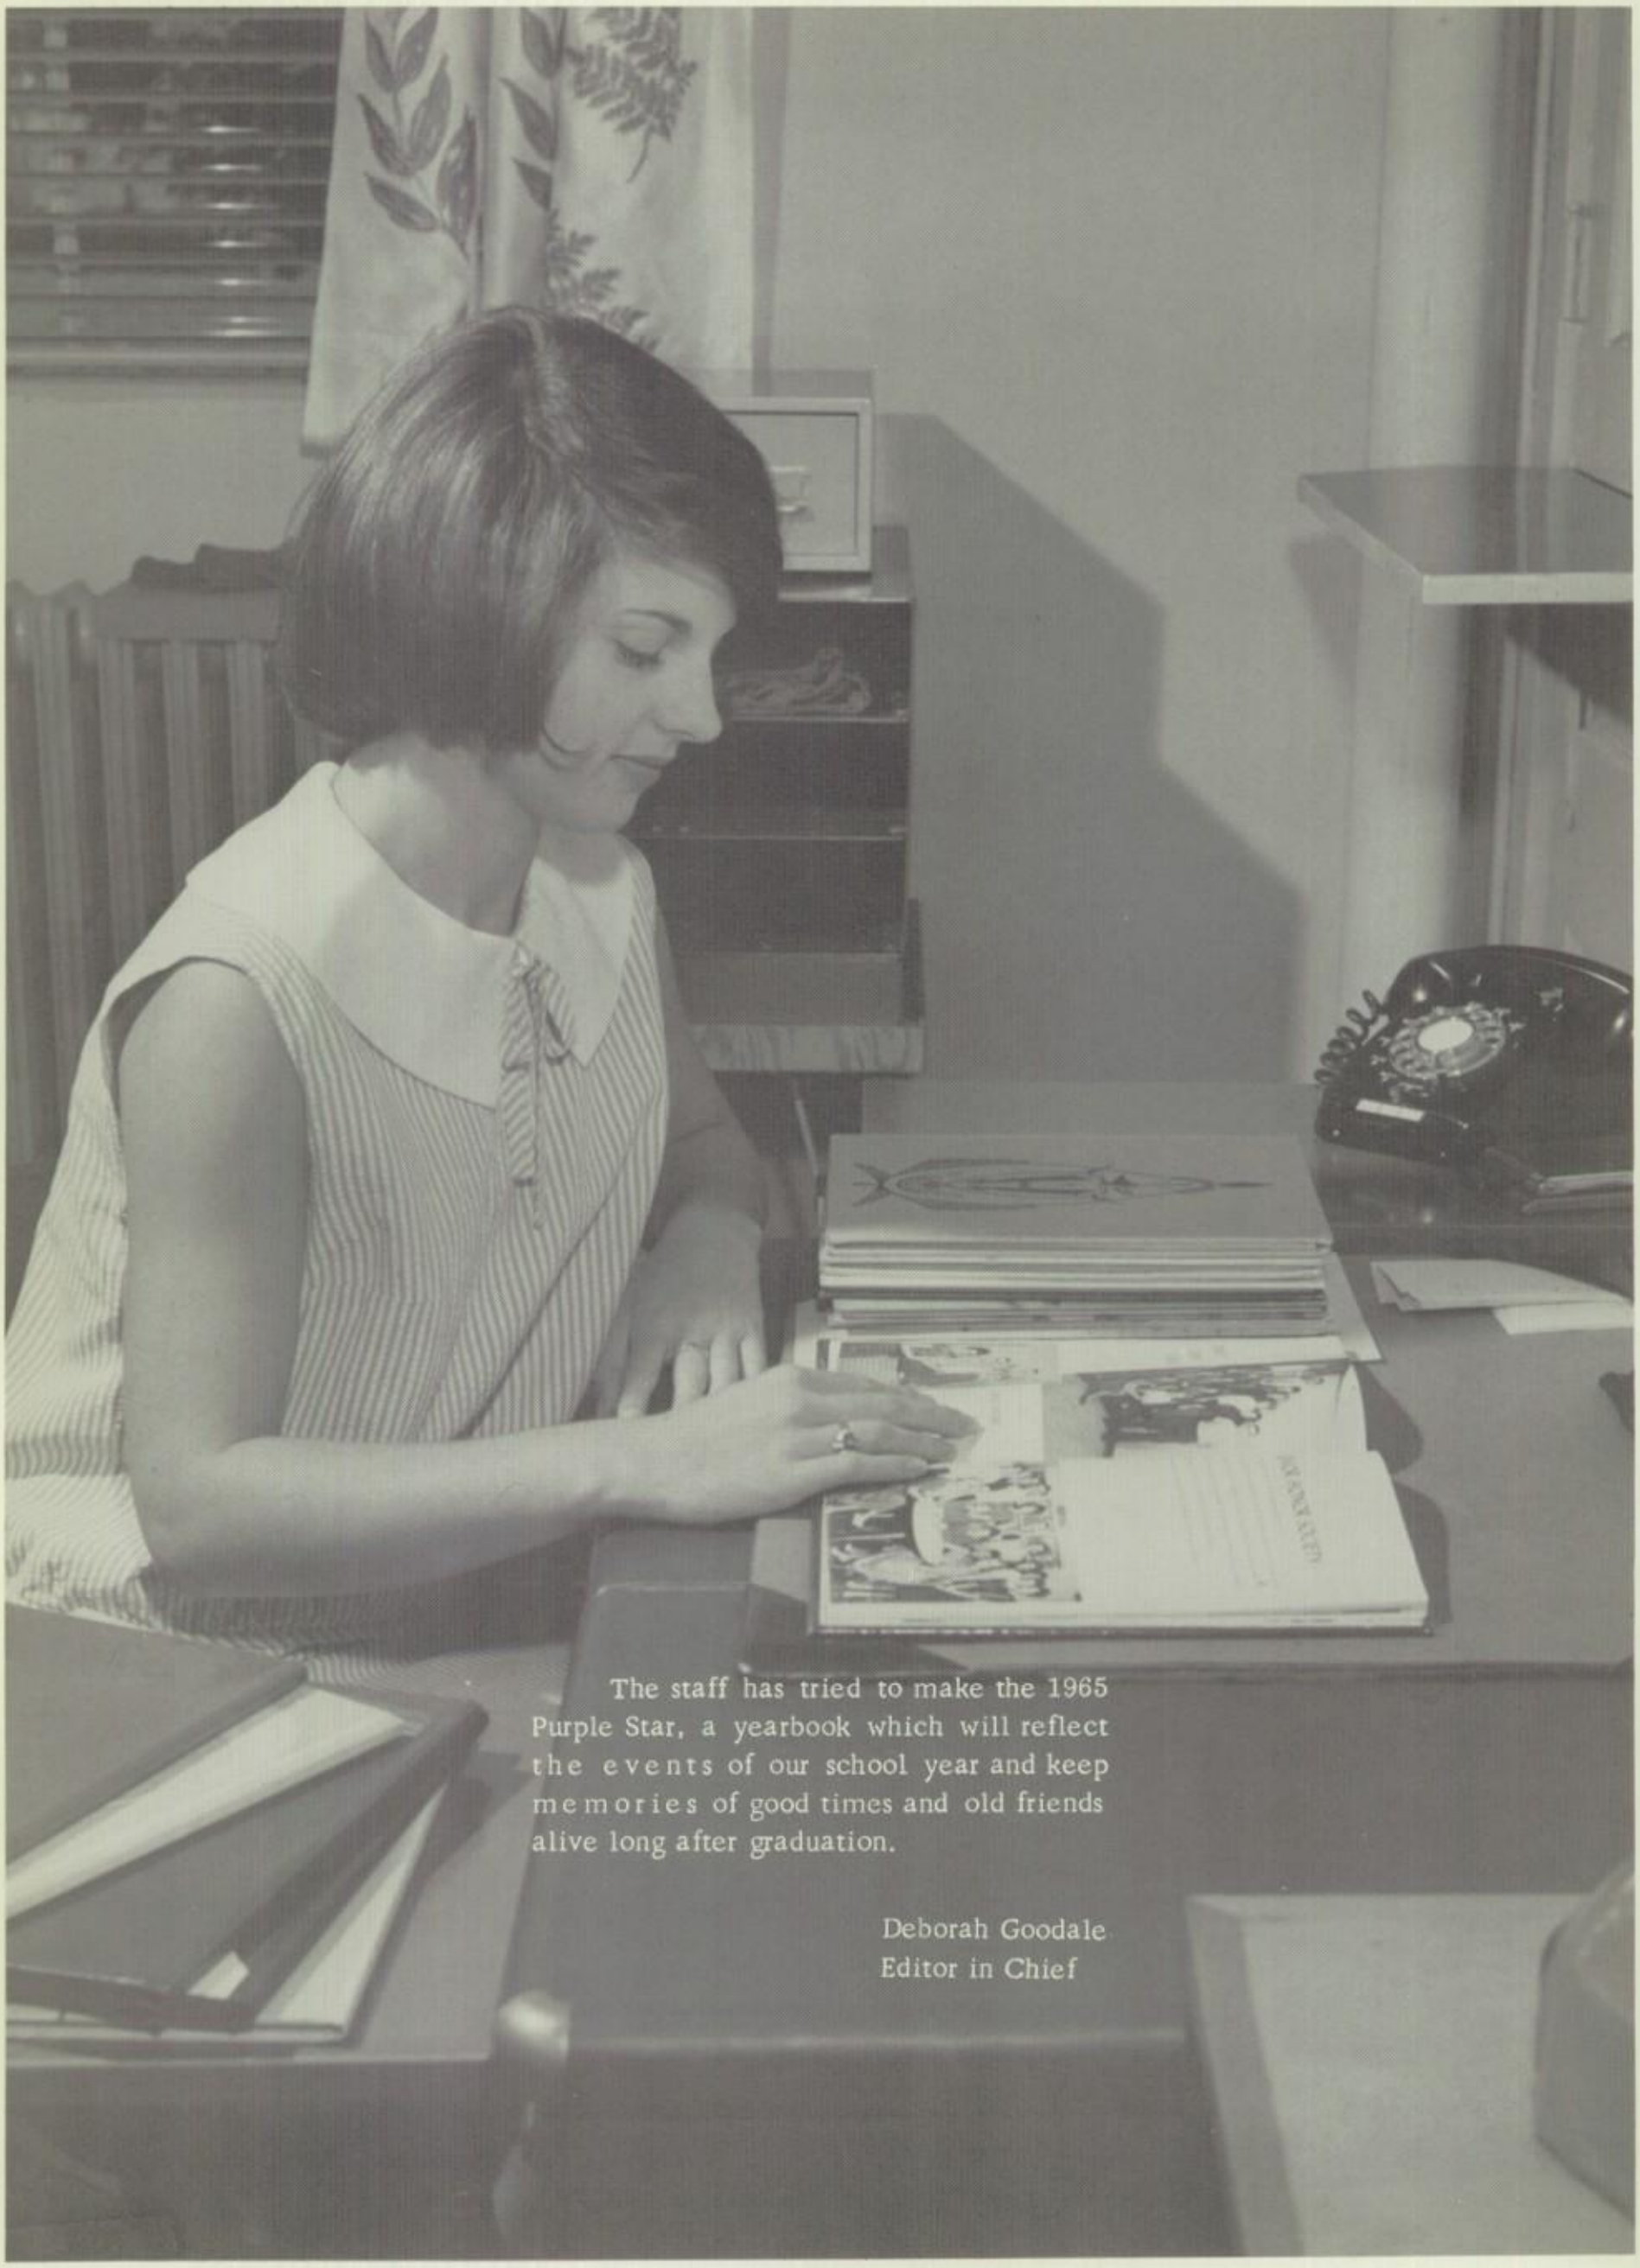
Dedication

In thoughtful appreciation of the time and effort she has spent and the help and guidance she has given us, The Class of 1965 dedicates The Purple Star to Mrs. Nancy Lincoln.

She has taught at Hannibal for the past six years and been our class advisor for the last three years.

In dedicating this yearbook to Mrs. Lincoln, we hope to express our greatest thanks and repay some of our debt to her.





The staff has tried to make the 1965 Purple Star, a yearbook which will reflect the events of our school year and keep memories of good times and old friends alive long after graduation.

District Principal

GORDON HASTINGS

The position of District Principal in a school system as large as ours is a difficult one.

We have found you to be a direct and impartial administrator.

We wish to express our appreciation for a job well done.
